“ *Dear Sweet Aunt Becky:*

I wish we could be there with you right now, but at least I'm glad that mom and dad can be. You are in our thoughts and prayers as always... I know that there is nothing that I can write here that probably hasn't already been said to you, but just know that we are always here for you and have a nice warm bed for you here (keyword: warm, especially when you're talking about Montana) when you are ready to come see us. It really is beautiful here and hope that you can make it out soon. We will be praying for you and keeping in touch to see how things are, and can't wait for you to see little Claire. Micah remembers and misses visiting at your house, as do Hillary and I. We love you, and talk to you soon... Mark, Hillary, Micah and Socorro Claire.##imported-begin##Mark and Hillary Ross##imported-end##
