*The service today was beautiful for a beautiful lady and a life well lived! Miss her we will, but I will always remember her with a smile! She worked for Jesus as long as her earthly body would allow. I'll always be thankful to have shared work at Blue Ridge Baptist with her. God bless the family as they continue on without her. If God allowed it, she looked down on us today with a big smile!! Love you all, Gail Morgan*

*Heaven gain a beautiful angel! I am so sorry for your loss and for everyone that ever met Kathy greiving. I worked with Kathy at GCEMS several years ago and have to say people were just drawn to her. *Kathy was such a strong woman who loved working with EMS and her co-workers. She was always a strong supporter of her staff and would do anything to help a fellow co-worker, whether they were with EMS or another public safety agency. She made such an impact state-wide and her joyful smile will be sorely missed. From a personal view, she was a great friend, a solid advisor, and a beautiful woman inside and out. I have missed working with her the last few years, but know she is enjoying peace and comfort with our Lord. I pray for God's strength to her family. Fran Moore-*

*Terry, since I will be out of town on Saturday, I wanted to send you my heartfelt condolences. What a wonderful person Kathy was, and what a great couple you made together. I will always remember her kindness and the life she brought everyday to the dispatch center. I can still remember hearing her laughter that carried from dispatch all the way to the supervisors office, and her distinct voice on the radio. Her contributions made this world a better place, and all of us better for knowing her. God Bless.*
