“ Lisa you were always a fresh & bright smile & the most beautiful eyes , showing such kindness. The world could use more love like you. I'm thinking that maybe God thought he needed your beautiful presence to help him in his beautiful home & it was time for you to go & be in his wonderful & caring presence. I know Jimmy Ray, Jessica & Matthew will miss you being here but you're now looking down on them & smiling & they can be thankful with that knowledge that you're free now & happy. It's still so hard for them because they would love for you to be well & here with them. God Bless & watch after Jimmy Ray, Jessica & Matthew in the coming days as they try to become accustomed to you being in your new home. I will continue to pray for the family & God will put his loving arms around you all.
