Aunt Bon was such an incredibly special and kind person. What I remember most was her absolute dominance of Scrabble and her love of the game. While we didn't get to see her often, her presence was always heart warming and brought a smile to everyone's face (and even more so when she would sound IDENTICAL to Grandma Liz!). We love you Aunt Bon! May you rest in peace. Love, Madi, Brandon, Cambree and Cora Chrest

Bonnie was the most wonderful friend and neighbor since 1993 to me. She was always bringing us delicious baked goods and when my son was little she would cut some of her beautiful roses and give them to him to bring to me. Always loving, caring and willing to listen whenever I needed someone to talk to. She will be greatly missed! Larry, please know you and Brian are in my thoughts and prayers! Love you both! ❤️

Larry, Brian and Family, my heart is saddened to know that sweet Bonnie has passed. She was my best phone buddy, as well as a cousin. We loved sharing life experience stories that gave us joy with giggles. This always was an uplifting time for both of us. I will miss our phone time so much but she is now healed and all anew with no suffering, in the care of our Savior. God bless each of you and may His love surround you with grace, mercy and His peace during this most time difficult. May your many precious memories give you comfort in the days to come. My love and prayers, Linda Coggins Roberts❤️✝️🙏
