I am so very sorry for the loss of your beloved Mother. I share your tears and my prayers are with your family. I did not know your Mother but for a short time but from our first meeting, she greeted me and welcomed me into the family with love and kindness. She was a loving and gentle person that loved her family and the Lord. I know she is now at peace and there is no more pain or tears. I can only imagine the look on her face and her reaction when Rusty greeted her. The love of her life has been waiting for her and now they are finally together for eternity. Dry your tears and may you find peace in knowing that they are together walking hand and hand and talking with the Lord.
My love to all.
