You were my Ganny , my best friend and the thing that makes this so hard you were mine. For 15 years we laughed and cried and sang together .. Went to metal concerts and gospel shows together.. You helped give me the best life I could've ever had and I tried to return the favor the best I could. There will be many firsts I'll have to take without you , but there will be many firsts I'll never forget. You left me with a wonderful big sister and the best mama on the planet and I thank you. Ps. I'm totally getting a tattoo for you and it'll be the first one you ever loved .. Guaranteed. Love always
Gracie.

My sweet Aunt Eleanor. Go in peace and without suffering. I will always remember our times together when I was a young girl, and regret that we did not have more when I became a woman. Love you.

Eleanor I'm going to miss our get togethers and meals. We had a time keeping our kids straight. Now you're keeping mine straight. Just don't give him English peas.

Mama, our hearts ache out of our own selfishness of missing you here. We know you are now in the presence of Jesus; how awesome that is for you. I know you heard your Heavenly Father say, "Well done My good and faithful daughter." I can picture you walking with all your loved ones down the streets of Heaven!!! I know you are feeling pure love and joy. You will forever live in our hearts and memories. I'll see you later Mama.
