Randall I will always remember you as a special friend and cousin. Our lives took different paths but I have fond memories of the times we were together. I will always remember going trick-or-treating that year at Nookie's house. We had so much fun and stayed gone so long our parents came looking for us! Then when we were teenagers we saw each other at Humpy's funeral. We both admitted to the other that we had always had a crush on one another. We both knew it could never be more than an innocent crush but that didn't stop the butterflies we had for each other as teens. I will remember you fondly friend. I didn't have the chance to know you as an adult but I asked about you often.Goodbye to a sweet good-hearted man. Julie##imported-begin##Julie Craver Johnson##imported-end##

my momma told me a story today about you spending the night at our house (23 years ago or so).. and how much fun you had playing with my little brother. and how we all laughed driving way out in the country to take you home. You touched more lives than you will ever know. May you find peace. Godspeed##imported-begin##Deidre Merrill Waldrop##imported-end##

Randall, you were always such a dear friend to me. We had so many good times together growing up and hanging out together. I'll never forget our "Let's do our thing." We'd run through BI-LO with me on your back laughing hysterically and run out. People thought we were crazy lol. I guess we were but we had alot of fun times together. I love you man and I will forever cherish you and your friendship. I could always count on you to lift my spirits when I was down. You made such an impression on so many people and their lives. You will forever remain in my heart!!! I'm not saying goodbye because I know one day I'll see you again in Heaven!!! I love you Randall!!! R.I.P.##imported-begin##Melissa Powell##imported-end##
