“ My sweet nanny,  
My heart breaks because I wasn't ready for you to leave but I try and find peace knowing that you are now in a wonderful place with Jesus and the people you once knew. I can't wait to feel your warm hug and see your sweet smile again. Save us all a seat for when we get up there.

“ Where do I even begin? I don't really remember a time when you weren't around. I remember growing up spending a lot of time with you , and having a blast. Thank you for always greeting me with a smile and a warm caring hug. Thank you for being such a good friend to my Uncle Pete Vitale. Most importantly thank you for being the loving and generous person you were. Your family is in my prayers now and in the days ahead. May you Rest In Peace, and until we meet again watch over us all. You may be gone but you will never be forgotten. With love now and always
