“ Pat, we were so sorry to hear of Dave's passing, even though we knew his health had been declining for sometime now. We know it was hard for you and the boys to watch his health fade, but you can take heart, in knowing you will see him again. Gene and I will keep you and your family in our prayers.

“ My deepest condolences goes out to the entire family. Mr Dave was one of the best men that I ever new. I first met him at Greenville Memorial Hospital in 1974 where he was working. I worked there during the same time in the Respiratory Dept. He was always the best person to talk to, and always so kind. Later my cousin Debra Roper Taylor married his son Samuel Taylor. It was like he was part of my family . Back last year his wife Pat had a couple surgeries, and I got the opportunity to spend several months helping care for them both. The first thing that Dave said to me was, I remember you from the hospital. After a couple days he remembered me being a cousin of his daughter in law Debra Taylor. We went to lunch, and shared laughs and so many sweet memories during that special time. I love you all, and so glad that I got to be a part of his memories. May you R.i.P sweet Dave
