“ Doris was one of the sweetest people we've ever known and we are so sad to hear this. She was a bright light and blessing to everyone around her. We worked with her for several years and she always so cheerful and kind. She was not only a blessing to the children but to us as well. She will be dearly missed. Sending lots of love to all her loved ones and praying for comfort.

“ Beautiful Doris will always be lovingly and gratefully remembered by us at Horizon Presbyterian Church, as she cared deeply for our youngest ones and faithfully led the nursery ministry for many years. She had a joyful heart of compassion for God's people - especially the littlest among us. Her legacy is one of allegiance to, and affection for her Lord Jesus, and for His people, demonstrated by long and faithful service.

We thank God for her life, her love, and her memory. Debra and I certainly feel a profound sense of personal loss as well, since she cared for our children, and years later, our grandchildren. But, resting in the promises of God and confident of a sure and certain resurrection unto eternal life, it is a great comfort to know that she is now with the Savior whom she loved!

“ My Memaw was the purest of souls. I know you are shining down from Heaven on us at all times. You are and always have been the light of our family. Being your granddaughter has brought me such joy. I love you with everything I have. I miss your smile, your laugh, your warm embrace. I can't wait to see you again.
