“ What a light she was to her 1st roommate at NHC , Myra Arlene Gilliam ,,she was her best and only friend until the end. On the day that Myra passed away , TayTay ,,came and sat at her bedside for hours , just holding her hand , no words were spoken , it was understood ,,she told her that she loved her , and left the room, and shortly thereafter Myra crossed over ,,,I could never have thanked her enough for being a TRUE FRIEND TILL THE END , to my sweet mother in law ,,she was the true meaning of pure love ,,,take your rest TayTay ,,I'm sure the Lord said , WELL DONE , MY GOOD AND FAITHFUL SERVANT ,,

“ Doris and her sisters were reared in the Pleasant Grove community. I used to plow a field of cotton on our lower farm adjacent to their home, the money earned from planting, hoeing, plowing and picking the cotton being applied to my first two years at The Citadel. Doris and her family would bring me water drawn from a well in their back yard for me to drink while I was working in the field for which I was very appreciative.

I treasure having known, not only Doris, but all of the Jones family.

“ I had not seen Doris in a long while and found out she was at NHC where my mom is. I saw her several times and always enjoy talking with her. She seemed to always enjoy being part of activities there and being around her friends there. She was a very sweet person and she will be missed. Prayers go out to the famiy

“ Aunt Doris played a major role in my childhood. Always an inspiration to try to do better. She always had a smile and a hug for me. Very fond memories of going to Daytona Beach with her, Uncle Lewis and Teresa. I'll miss you always

“ I remember Mrs. Taylor as a fine Christian woman and a loving individual. The Taylor family was very involved in the Church and willing to help anyone they could. This was a trait that everyone in that family had. I pray that God will grant the family peace, comfort, and guidance as they adjust to her physical absence. They can find comfort in that they will one day be together again in heaven.

“ What a sweet, precious lady. Though my memories of Doris go back many years it was through her daughters that I saw her most often. I loved her spirit (they have that) I loved her humor (they have that too) and I loved how she loved her family. If you knew her at all then you knew that her husband, daughters, grandchildren and great grandchildren were the light of her life. In sorrow for this dear family but jubilant for her because she is in the presence of the Lord with her beloved Lewis. My love and prayers to all of you.

“ My mother, Frances McKinley, had the great privilege of being Doris' roommate for the past almost 3 years. They were best friends and were always together. Doris has been my moms guardian angel. She looked after her and cared for her in any way she could. Our families have become like one big family because of their relationship. Granny was my friend and I will miss her so much. I'll miss our long talks, bingo games every Tuesday and Saturday, helping her with her flowers, her wonderful sense of humor and her sweet smile. I just cannot believe she is gone. My heart is broken but I know she is celebrating today with her precious husband, Lewis. I love you all and I am praying for all of you. RIP my sweet, sweet friend. I love you!

“ My sweet sweet Granny!!! I will miss seeing your smiling face everyday. I will miss the good laughs we had, sitting in your lap, and sneaking up to kiss your check. Even though I wasn't you "real" grandchild, you always made sure I felt like I was. My sincere condolences to all the family and friends you left behind. Until we meet again.

“ Tara and Teresa, I have so many great memories of your mother. She was like a second mother to me. I never will forget her and remember when I was at home alone as a young child. A drunk neighbor tried to break in on me and Doris and Teresa tried time after time to pull up to get me. Every time she pulled up he would run at her with a frog gig. She did not give up but keep trying to get to me and she finally did. I never will forget how safe I felt when your mom picked me up. I don't know if you remember it or not but I will never forget how brave she was. She took me to your house and kept me until mom and dad could get me. I have so many memories of her. Love you all and I know she is in Heaven and very happy.

“ My parents, Buck and Evelyn May, were friends with Doris and Lewis when we moved to Greer. Doris was a very kind woman. I'm sure she will be missed.

“ I feel I was “chosen” by God to be placed in the life of this precious soul. I was absolutely heartbroken when I got the news. I can't even imagine the pain, Tara, Teresa, Emily, and family. It was a privilege to have helped care for her. She and I picked on each other constantly. One of my biggest laughs was trying to get in the door one night, that it was snowing. The door wouldn't open. I looked and she was on the other side, holding it shut, laughing. When she “allowed” me to enter, she said “oh, you wanted in?” My goodness it will not be the same without her there. I loved her like my own granny. If y'all need

anything, please let me know. Emily and Tara have my number. God bless you all... Fly high my sweet, sweet, Granny..

Tracy Marler - March 28 at 09:12 PM

“ A very sweet lady indeed! She gave me a ride to and from school for years. I'm forever grateful for the love and kindness she showed me.

Travis Stepp - March 28 at 10:56 PM

“ One of the most unselfish people I have ever had the great fortune to know. She had zero tolerance for any suffering she saw around her, when others would look down and mind their own business she would do whatever she could to make it better. She did boss me around a bit Tara but I never minded because I knew the heart behind it .Her friendship to my Mother will always be a precious gift to me and all our family. Godspeed in your new adventure Granny. We were not ready for you to leave us but as you told us many times you were ready. I will imagine you hand in hand with your beloved Lewis roaming the green fields of Emmanuel's land.

Robert McKinley - March 29 at 09:22 AM

“ Teresa and Tara, I am so sad to hear of your mother's passing.. She always was dear to me and was such a strong, guiding and loving force in my teen years. I have many, many fond memories of your parents and their home. I always felt welcomed there. For those of us who were fortunate to have your parents in our lives, we were truly blessed.
