“ Arnold & family,
So sorry to hear about your loss.
Her cousins, Metz, Doris & Robbie Robertson always enjoyed time spent with her & the other cousins in the Crain family. May the Lord Jesus Christ be with each of you as you face the days ahead without her.
Sincerely, Karen E. Robertson

“ Ever since the first time Tim brought me to her home, back when we were first dating, she made me feel like I was loved and part of the family. She accepted and loved Annabella as her great grandchild too... she was a very special and wonderful woman. She always made me feel welcome and loved. I am incredibly blessed to have known her and she will be sorely missed. Heaven gained a wonderful woman and while I will miss her I am happy to know she went home to heaven.

“ The world doesn't seem as stable as it was on January 14. It is hard to describe to someone who never knew you how important and appreciated you were by your family. I will never be able to find the words to say how much you have impacted my life. The grave can not hold you and the sting of death did not win because after 89 years you are finally with Christ.
Love you, Timmy
