“ What a fitting service for a true disciple of God!! I was lucky enough to have gotten to know "Miss" Glenna during the past 2 years while working as a nurse at The Manor. The descriptions of classy and elegant are so fitting for her, though I think we can also add, "down to earth" as well. I enjoyed talking with her on many occasions and on our last conversation, we discussed the virus, the passing of my father just as it began, and how God was in control of all things. I will always remember her sympathy and kindness to me. May God continue to comfort her family that she loved so much and all of us at the Manor who loved her.
Sincerely,
Donna C. White, LPN @ The Manor

“ The service was beautiful!!
Mrs. Glenna was a resident of mine at The Manor, but she was much more than that. Mrs. Glenna was like part of my family. We were very close and I was fortunate enough to meet her family that she was so proud of and loved with all her heart.
She touched my life in so many ways, she was loving, caring, compassionate, kind, and encouraging. If I was not at work she would always call or text me to find out if I was ok. She was a very dear friend and treated me like I was part of her own family. We would talk every morning about what the day would be like and she was always worried about my parents and how they were doing during this time of the virus. She always put everyone ahead of herself.
We became so close that she was like a second mother to me. I loved her so much!!

The morning she passed away, we talked like we always did but before I left her room that morning, she stopped me and said "REMEMBER I LOVE YOU." I said I love you too and I'll see you after lunch.

That was the last time I was able to talk to Mrs. Glenna and I will always treasure the time we had together and those special words that she told me.

My prayers, love and thoughts go out to the family. If I can do anything you all know how to contact me.

Thank you so much for allowing me to be part of your family.

Sincerely,

Wanda Byrd, LPN

“ Glenna, James, Byron and Tim have been part of our family for over 60 years. Though time and miles have kept us apart, the memory of our shared time together is lasting. She was my "other mom" as she would always tell me. I'm so thankful I was able to spend time with her last year. Love to all.

“ What a beautiful person Glenna was. I loved her, and my heart is just broken. She was always so kind and gracious, always concerned about others. I don't think she realized what a beautiful influence she was for so many others. If I could describe her in one word, I believe I would say she was simply lovely. She will most certainly be missed, but I am so glad I had the pleasure of knowing her. Prayers to her family for peace. Fly high Glenna.

“ While we were not privileged to know Miss Glenna, after reading the beautiful tributes we can see her in her grandson, Elijah T. Jones. Having recently hired him as our General Manager, we are so fortunate and see Miss Glenna's legacy continue through him.
Our thoughts and prayers are with her family and friends as they celebrate what must have been a wonderful life.

“ Miss Glenna was one of my favorite people at The Manor where I met and came to admire and appreciate her sweet disposition. She was very active and news of her passing so suddenly was certainly unexpected. Prayers for all of her family, as I know you will surely miss this dear sweet lady.

“ When I think of Glenna the first word that comes to mind is gracious. She was kind to everyone. Always smiling always encouraging . I was blessed to worship with her at the same church for many years. She was a faithful church member and more importantly a faithful servant to our Lord Jesus. Her faith has now become sight and she will forever more rejoice in Heaven. My prayers are with her family for I know she will be missed.
