“ So many memories with my Uncle Jerry. He always made sure he greeted and ended with a hug. He has endured so much and I am thankful he suffers no more. We love you Uncle Jerry. And, as always thank you for loving us. Also, thank you for your service to our country many years ago.

Much Love,  
Karen

“ Although I didn't know Jerry and his wife very well, I did know Chris through my son James, and can see what a fine man Jerry must have been due to knowing his son! I am praying for your family at this time! Kim Higdon

“ Jerry and I met while I was working for Tom's Foods. He bought a distributorship and I ran the warehouse, we worked together for several years. I respected Jerry and as a fellow veteran we had many discussions about our time in the military. I used to love his stories. Jerry was a hard working, honest man. He was truthful and direct, qualities I appreciated.  
My thoughts and prayers go out to the family.
