Leigh Ann was a wonderful person and a great partner to Jim. Watching this celebration of her life shows how much she and Jim loved each other. A warming example of love for all to follow. I'm so blessed to have the honor to know her and Jim. Love you both, and we will miss Leigh Ann tremendously! Warren and Pam Turner

“ *I worked with Leigh Ann indirectly for several years at Concentrix and found her to always be a joy. A conscientious and loyal employee - full of life - and a great team player.*

While we cannot imagine the hurt and sadness her untimely death brings, we pray that as time passes, knowing she was loved by so many and that she touched so many lives in a positive way will in some way bring comfort.

Prayers for peace and understand that only God can provide.

“ I worked with Leigh Ann at Concentrix/Illumifin. We were able to see each other a couple of times a day while I did mail runs. She was always smiling and always spoke. Leigh Ann helped me last year when I couldn't find a certain item on the store shelves. She found what I needed and brought it into work the next day. She was very thoughtful and I am glad we were able to cross paths in this life. Thank you so much for posting a tribute video. Please know that our prayers surround your family and those that knew her. May God hold you in His comforting arms.
We do have a group called Helping Hearts here at work.

“ This past year and a half Leigh Ann and I became close friends, considering we were 'essential employees' and had to come into the office (bravely I might add) on a daily basis. Just about every day over this past year and a half, she would visit me at my desk on one of her breaks so we could chat about family and life. She had the most wonderful sense of humor! We both have only one child, boys that were a few years apart in age, but similar struggles with both that we would chime over! We had so much in common from our pasts, it was uncanny!
Peace be with your precious family you loved and coveted so dearly!

May the Lord bless you with comfort in your grief, peace in knowing she is no longer suffering and joy in the memories that can not be taken away.*
