

Lydia Newell

May 24, 1985 - April 9, 2021

Mrs. Lydia Ruth Gallion Newell, of Marietta, SC, passed away on Friday, April 9, 2021 at the age of 35.

Lydia was born to parents Donald and Nancy Gallion on May 24, 1985 in Columbus, Ohio. She attended Willard High School and was active in band, cross country, theater, and choir. She attended Bob Jones University and graduated in 2008, majoring in Spanish Education. She was heavily involved with Spanish Club during that time. In 2008 she married her love, Dave Newell. She went on to teach high school Spanish at Berea High School and Greer Middle College Charter High School. She traveled to Mexico, Spain and Costa Rica to explore her love of the Spanish language.

Everyone smiled at her distinctive, unfettered, contagious laughter that brought people closer to her. She was beautiful, and she understood and celebrated it without pretension. She pointed out the beauty of others. She gave generously of herself. She walked slowly in gardens and no flower she passed remained unappreciated. She enjoyed reading Chronicles of Narnia to her sons Silas and Jonas. Most of all, she enjoyed leading others toward her Savior.

Lydia is survived by her husband, Dave Newell; her sons, Silas and Jonas Newell; her parents, Don and Nancy Gallion; her brother, Nathan Gallion (Elvira).

“ I took Spanish at BJU with Lydia and I am so sorry to hear of her passing. She was a very kind person and the world is a little more grey without her.

“ Mrs. Newell was my Spanish teacher back in 2010 at Berea High School. She was a very loving and enthusiastic teacher. She loved helping students and made her class fun. She always made students feel welcome and fostered a warm and fun environment in her classroom. I remember when she went on leave for pregnancy. I missed her a lot. She always had a smile on her face. Made you look forward to her class.

“ We have good memories of Lydia from when she came to Spain! She was an ideal student who took advantage of her opportunities, both academically and spiritually. It was great to keep up with her over the years when we were back in Greenville for a visit. The news of her home going hit us hard. We rejoice with her as she fellowships with her Savior and we grieve with you and your boys as you mourn your loss. May God’s peace and comfort fill your hearts as you celebrate Lydia’s life. Our prayers are with you.

“ I am so sorry to hear about Lydia. I do not have FB and did not know her story until today. I do know this, Lydia will never be forgotten. I went to school with her from 1st-11th grade. There was never a dull moment. She was so full of energy, smiles and laughter. One time she even snorted pixie stick dust in grade school because someone had dared her to do it, she is fearless. I am so glad she has touched so many lives. My thoughts and prayers to her entire family and may god comfort them. Love Kimberly (Gayheart) Kilgore

“ My thoughts and prayers go out to David, the boys and Lydia's entire family. Lydia was an optimistic, caring, and strong person. When my father past, Lydia wrote me a note with some scriptures that helped her in tough times, to help me get through my loss. I can't tell you how much those helped. She was my friend and I will miss her so much.

“ I am so very sorry. I send my sympathy to Dave and the boys. Also to Rev. and Mrs. Gallion. My heart aches for you all. Know that Lydia was such an encourager to me and I am sure to many. We were sisters in the Lord. I know she was a witness to others even at a young age. My son Nate was one of her friends in high school. They were in theatrical productions together. What earth has lost heaven has gained. Both my husband and I send our sympathy.

“ My heart hurts for this family. Lydia and I had many "tea dates" together, shared recipes and essential oils. My first memory of her is hilarious... I was a new teacher at our school, and when everyone was making introductions, Lydia introduced herself by talking about her love of Spanish. Then she said in front of everyone, "I just think my soul is brown. That's how much I love Spanish." I laughed so hard! That was the moment I just knew we would be friends. I will miss her terribly.

“ Many of Lydia's Facebook friends followed her journey from a distance, yet felt close as she shared her struggles. The joy of the LORD was her strength and this gave many others strength to face our lesser challenges as we too called on Him.

“ I first met Lydia at Peniel Bible Camp, and we were attached at the hip for an entire week. I didn't want to play the campwide games, and neither did she, so we hid in the chapel for hours talking until the games were over. Every year after that I always looked for her at summer camp and couldn't wait to see my friend again. She was the best friend you could ask for, always easy to get along with, and a contagious laughter that would drown away any sadness you felt. Look at all the people she impacted in her 35 years. What a blessing God gave the world through her.

“ I only remember meeting Lydia once when I was young at Morrow Bible Church in the early 2000s. She was so sweet and beautiful. I wish I had gotten to be friends with her but our age difference and life paths never allowed for it. So sad to lose someone so young and loved by many but comforting to know she is with God now and we can rejoice in that. Prayers for her family that is still here in dealing with this loss.
