“ My Aunt Peggy was the coolest. She always made me feel valued and loved. She loved deeply. Just ask her husband Harvey, four children and their families. She was there for me in times in my life that I needed encouragement, direction and support. She never hesitated to give those things freely. We laughed together and we cried together. I'm so grateful that I was there years back when she heard the gospel and accepted Jesus as her Lord and Savior. She grew up knowing of Jesus but that day she understood her need for Him. With tears in her eyes she looked at me and said this is why you brought me here. She thanked me. It was my privilege. I'm also grateful that I was able to be there with her during her last days on this earth. She was brave and in true Peggy fashion was worried about everyone else. She didn't want to leave but her body wouldn't let her stay. God had called her to Himself. She earned her wings. She left us to step into heaven because she is a child of God's. We miss her and it hurts. Life will never be the same without her here but it will also never be the same because she was. The last gift she gave me in the days before and after her death was a renewed relationship with my Uncle Harvey, my cousins and their family. She asked me to make sure they didn't fight and that they were good to each other. Through my love and prayers for them I hope they honor her always. Godspeed Aunt Peggy. I'll see you on the other side. Love Always Gina Marie

“ Peggy was to me not only my sister-in-law but my dear friend. She would give you the shirt off her back. She was a wonderful hostess and always happy when her family were together for the holidays. She made you laugh, always laughing and loving those she was around. I remember when we would speak at least once or twice a week and talk about somebody she would say poor bugger, she was so funny. I will miss her and love her always. Judi Katz

“ Nicholas and Kobe,
I am so sorry to hear of your mother's passing. I got to know Peggy from my time at Kobe's school. She loved Kobe so much and her entire family. We spoke often of family and how much each of them meant to her! Her passing will leave a void that will be hard to fill but God can ease that pain of that I can attest to! I will be praying for your family and I know she is a Heavenly angel watching over each you. Prayers to each of you and my love to little Kobe and all.

“ Hi Nancy., My heart is broken even though we didn't see each other for 15 years. She was so much fun , remember when we all first met at Gulf American? She and I were very close after the kids were born. Her family was everything! She loved you too...may she be with the Lord and be waiting there to see her family. Rest in Peace our dear Sister
