“ Linda, Only fond memories flood my mind as I remember the fun times I had at your house with you, Peggy and Jimmy. Your parents were great and we always had such a good time. I know you have to remember the night I gave Peggy a hair cut! It was a real mess but she wanted it done. We laughed and laughed but I was never asked again to cut anybody's hair! I'll be thinking of you in the days ahead, praying for you and your family as you face these difficult days. You are thought of so often and I love all the memories. Your long ago friend Gail.

“ I am Maudene Cantrell, Peggy's first cousin. We lived just up the road from her on Cannon Road in Greer, SC. She was always kind to me and my two sisters. My deepest sympathy to all of her family as her death is a great loss. The picture (with a gentle smile) is just how I remember her.

“ To Peggy's family, It is so sad to hear of her passing. I did not know any of her family, but I attended Blue Ridge High (and graduated) with her.

“ I worked at Holiday Inn Spartanburg with Peggy 1978-1980, as the maintenance director. I remained with Holiday Inns 10 years moving several times and worked at corporate in Memphis, TN. I worked with Peggy and our general manager, George Khouri, during the time she was named housekeeper of the year for Holiday Inns. She was very much the reason for my success in the hotel business due to her tireless efforts and commitment to be the best at her job, and expected everyone else to do likewise. She worked very hard, lead her team by example, pushed everyone to be their very best at what they did. She was kind, gracious, honest, and a wonderful example of what everyone should strive to be. She made me a better person, worker, and employee.
Thank you, Peggy Hyatt!
