“ My beloved Aunt Mona will live in my memory as one of the kindest, caring — funny! — and selfless people I’ve ever known. My happiest memories are of beach vacations with the Waddells and Dowdles and Keslers all together, jumping the waves while holding hands in a long, fierce line daring them to knock us down, and Christmases spent giggling long into the night and thinking the grown-ups couldn’t hear us (they could) ... and Aunt Mona always making us laugh. Those memories drove me to create the same memories for my own boys. Inwill treasure them, and her, always. Love forever, Aunt Mona, and you keep taking care of us from up there, you hear?

“ The childhood memories of Thanksgivings and Christmases and visiting our cousins (Cindy, Susan, Bryan and Anita - aka “Tootsie”) are some of the happiest I have. This is, of course, due in large part to their mother, my Aunt Mona. She was always pleasant and so funny! Even when Bryan and I decided to blow up people’s mailboxes with fireworks, she didn’t have a cross word to say. And when I wiped out on Bryan’s skateboard, she went about healing me, telling me I was a “tough cookie” even though I was screaming my head off. I will always miss my Aunt Mona and remember her kindness. Please forgive me for not being with you at this time; I’m in California with a camper and a dog. I want to be with our families, though. Love, your cousin Todd

“ We loved our beloved Aunt Mona so much. My fondest memories as a child were when the Waddells and Dowdle’s and Keslers all got together at the beach or Mama Willie and Papa’s and got into so much trouble and laughed so hard. Aunt Mona always took care of everyone - I loved her dearly.

“ What a wonderful lady your mama was! She and your Daddy were so important to us when you all were at Trinity UMC-Greenville. I am so glad to have known all of you.

“ Mona and Bob were in a Sunday school I led at Covenant United Methodist church several years back. They were two of the most gentle and genuine people I've ever known. They were a pleasure to be around. I adored Bob's sly sense of humor and smile. He was a true jewel, as was dear Mona. I'm a better person for knowing them. June and I will truly miss them.
