“ Carole and Jackie I am so sorry for the loss of your mom. Ruby was such a great lady and wonderful neighbor! I miss her so much but I know she is with the Lord and loving it. You will be in my prayers as you grieve the loss of your mom.

“ Jackie and Carol Anne,
I just wanted you to know how sorry Brenda and I are about the death of your beloved mother. As a child I lived behind your grandparents. I loved both Mr Jack and your grandmother. I also remember both your parents and you Jackie. We were so close when you lived on Victor. It is a shame that years and distance separate us, but the memories never do. So just accept this as being from a friend of years ago and know you both and your families are in our prayers. I tried to get your number but privacy rules of Wood prevented that. Would love to catch up. You can get the email from Wood if you have any desire. Again, please know of our love and prayers. May God bless each of you.
Rev Billy E Vaughn and Brenda.
