“ So glad to have had you as long as did in life and all the many many memories all through life made with you, and very grateful I had all the time with you in the last year I did! Thank you for the love, the tv wrestling hours, the stories, all the ice cream I ever wanted, and all you gave me and helped pour into me through my lifetime! I can hear you saying Klay and will never forget your tight squeezes around my neck! Tell everyone up there hello, and send a special hi to my Dora for me! What a reunion, you, great grandma thelma, grandma Dora, aunt Judy, uncle bob and Uncle Tony, papa terry, and more family! I hope your all dancing together in unity, rejoicing on reunification! Rest now granny, see yah when I make it. I love you
