“ *To our papa, whom we love forever and always,
We cannot express the sorrow we feel in your absences; however, we know that you are in Heaven and we will meet again one day. You left your mark on those who knew you and that mark we will carry forever. Thank you for showing us the meaning of marriage, family, and the generous grace of God. Papa, watch over us and we will take care of the woman you call wife. We love you so much!
P.S. Be careful not to "wink" at too many hot chicks up there because we may not be there yet, but one day we will be. :)*
