“ Chip was my roommate and friend at PC. We lost touch after graduation. I think that he was the first person I knew that was the PC Blue Hose mascot and the only one I know of that was brave enough to wear the kilts. I remember being with him at a Pi Kappa Phi meeting in Virginia Beach and then going to Myrtle Beach where I got to meet his parents who were very kind to me. My condolences to the family.

“ To the family, please accept my deepest sympathies on your loss. No words express the difficulty of coping with death although I pray the promise God gives in the scriptures strengthen you through this ordeal. “He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces...” Isaiah 25:8
