“ I will forever think of and remember Woody as my Dad... 21 years of love, laughter, advice, scoldings, waffle house and walmart trips in the middle of the night... I have so many memories that I will cherish forever.

Thank you for standing up and being the Dad you were never required to be. You showed this little girl what it was like to have a Dad growing up and I will never be able to express my gratitude to you for that. I am sorry I didn't tell you more often or make more of an effort as an adult to show you just how special you were to me... I love you so much, Woodman and I will never forget you..

Let's Go Gamecocks!
