“ *Adam, it seems like yesterday we were going to church on wednesday nights playing football basketball, and mawmaw avriel picking us up from school and going home and playing in the field football until dark. The good ole days at blue ridge playing baseball for BRYA. Taking trips for church basketball playing in the tournaments. Going to Jason's house and seeing him when he was at shriners hospital. Growing up we were always together, we were like brothers, we fought, we got into trouble together, we always had each others backs, you never saw one without the other. I'm really going to miss you buddy. I love you pal. RIP.##imported-begin##Justin Ballenger##imported-end##*
