“ *Adam, Will so be missed by many. But he has his home in heaven now to the right of his father. I will always remember the love you and Lisa had for one another. The day I met you two was a hard time for the two of you. you started loving each other long before your parents. Slept in a tent together. I knew from that moment you had to be in love with your sweetheart for life. Something that Lisa will live with for the rest of her life a god loving story to share with your sweet loving children. Always know that your father will meet you a the gates of heaven some day. he will save you all a seat by him and the maker of us all. May he send Angles to watch over you and help guild you though this world he has left behind. May God bless you and love you all forever. Amen!* ”

Thank you so much Tish. I remember them days well. My heart will forever have a vacant spot that only he could fill. I miss him so much as well as our kids but find comfort in the fact knowing he is with our God and his mother whom he missed terribly.
