“ *"Her children rise up and call Her blessed.". Agnes had two natural children, but dozens of spiritual children, whom she loved and who loves her. It was my Great Fortune to be one of those many children.*

“ Please accept my sincere sympathy. The Bible says that a person who lives for 80 years is especially strong. (Psalm 90:10) What a privilege that your mother lived for 98 years. Take comfort in God's promise concerning the hope of seeing her again and living in a world without tears where heartache and death will be no more.

“ Wini and Barry, I was saddened when I saw that your Mother had died. Ya'll may not remember me but I was raised in the Victor Methodist Church also. My wife Gail and I have been in the Simpsonville Methodist Church for the past 50+ years. We were living in Simpsonville and moved our Church when Rev. Phil Jones moved from Victor to Simpsonville and we have been there ever since. You may remember my sister who is still at Victor. My sister Gayle and husband Tom Williams are still there. My thoughts and prayers are with you in these times. May God Bless...

“ My thoughts and prayers to the family & friends of Agnes. I knew Agnes from Oakleaf. She was one of the most spirited, determined women I have ever known. We shared many conversations, and laughter. I instruct tai chi classes at Oakleaf and Agnes was the best example of what exercise can do for you. She demonstrated her ability and determination by standing to do steps in tai chi & qi gong which amazed and inspired so many people. She was proud of her achievements as she should be. I know many people connected with tai chi and all are in awe of what Agnes could do at her age. Her favorite example in tai chi "After I broke my hip I couldn't do this, but after doing tai chi I can stand up & sit down like this...and I'm 97". She was an inspiration to all who knew her and will always be an inspiration to me. Peace to all. Lynda Hamm

“ To the Beeks family: I'm so sorry to read of Agnes' passing. She was such a sweet, lovely lady and will be greatly missed by those who knew her. She was an old friend of my late mother-in-law, Ethel Southerland, from their days on Victor Mill Village. My thoughts and prayers are with each of you during this sad time.

“ Precious lady, we had such fun times with Agnes and Margaret. We never had better Cheese straws than the ones made by the these two fine ladies, and they turned them out by the dozens. Barry, your Mom always had a smile on her face. She was one in a million. Keeping you and the family in my prayers.
