“ *Mima will always be indescribably special to me. God didn't make us family genetically, but she loved me as if He did. I pray that one day I can reflect the love of Christ as effectively as she did. Without fail, a hug from her lifted my spirits every time. If it's possible for heaven to improve, it did so the day God welcomed Mima home. She will be missed, but her love and influence lives on in so many of us.* ”
