“ *Grandma Odom always had a smile on her face and only kind words! So thankful she allowed me to call her grandma! She wrote me cards and letters for a long time and shared some wonderful recipes! I know she is rejoicing with Christ and her family in heaven!*

*We knew Aunt Aileen through her great niece, Angie Sanders McSpadden. Aunt Aileen was a gracious, godly woman-an example for us all. We were honored to have her in our home and my daughter and I had the privilege of being in her home. She was such a blessing to us and countless others. May you, her family, feel comforted knowing we are keeping you in our hearts and prayers in the days ahead.

“ *Aunt Aileen set such a beautiful example for me throughout my life. There were so many wonderful things that she did that set her apart from the average lady. I plan to carry on her tradition of standing in the driveway and waving goodbye to everyone who comes to visit me at my house, Just as she did every time I visited her. I loved looking in my rearview mirror seeing her standing in her driveway waving goodbye as I drove away. It always put a smile on my face!*

“ *What a beautiful lady and a beautiful life. She showed all of us what real faith is in the middle of a tragic storm in her life. She loved everyone and treated all the children like they were part of her family. Her cookbook that she gave me is a treasure. I can't imagine what a reunion she had in heaven to again see her family. Truly a lady with a heart of gold.*

“ May God comfort you in the passing of Aunt Aileen. She and Uncle Johnnie were a very special part of my life. I always enjoyed spending time with them during the summer when I was growing up. They came to my college graduation and to my wedding...always making an effort to be there for me. My sister and I visited with Aunt Aileen last summer. She was her sweet gracious self. I was truly blessed to have had her as a special part of my life.

“ Aunt Aileen was a very special lady. Whenever I was fortunate enough to get to see her, I learned something from her. A new recipe, a life lesson, a new or different way of doing something. She was always so gracious. Many of you will be surprised to learn that she came to meet me several times when I was delivering something in the Semi- truck in the Greenville area. She would stay as long as it took to get the truck unloaded, and I really appreciated her company. She was in my truck several times and talked about Taylor having a CDL license. She would always tell me to be sure and let her know when I was going to be back near her. She and Mrs Louise were a lot alike in so many ways.

*Love you Aunt Aileen,

She will certainly be missed by all who knew her, but now she is with her much loved family. We will all miss her, but we still have the memories she left with us.
