“ Coby was a one-of-a-kind special friend and co-worker. Always enjoyed our conversations when we ran in to each other over the years since retirement, especially about the Lord. My wife & I called his name out in prayer each night per his request. He will be sorely missed!

“ I worked with him for ten yrs. He was great to work with. We both left the plant about the same time. I would see him all over Greer after that. Since this pandemic, I have not seen him. He was a great man.
