Like so many other that had the honor to be associated with Alan, he was a great person. I was fortunate to know Alan for more than 20 years. We had some great times patrolling in Lincoln County; i always had his back and he had mine. Even beyond law enforcement, Alan was one of my very best friends; he was a friend that I could always count on. We spent a lot of time hanging out with each other and our families. I will always treasure the time God allowed and look forward to the day we can kick those field goals again. Love you brother Alan, you will be missed by everyone. Kelly

Alan and I became friends when I moved to Rutherfordton in 1978. We remained friends all the way through college at UNC-Charlotte when we graduated, got married and went our separate ways. I never forgot Alan or what a great friend he was. He was one of the most genuine people I ever knew. He always had your back. Some of my fondest memories are with Alan and our mutual friend James Whisnant. I wouldn't take anything for those times. They made me a better person and the man I am today. I will truly miss you Alan. You were one of a kind.

“ It's the little things, the small, everyday occurrences that you'll remember. The laughs, the stories, the smiles. And even though it seems like you can never recover from your loss, it is these very memories that will help push the pain away and bring back the smiles. While I had only known Alan since May of 2012 when he started driving for me at Kohler Transport Inc., he did make quite an impression on me. He was easy to talk with and understood the ins and outs of the business better than many ever will. He will be missed and difficult to replace. My condolences go out to you and your family in this very difficult time and you will be in our prayers.

“ Alan, You left us way too soon...What a tragic loss. I am so glad to have been able to call you my friend. And to spend some of your last hours on earth with you, smiling and happy. You will definitely be missed. To Candy and the family...May God bless you and keep you in his arms while you go through your grief and loss today, and in the many days to come. Just know, Candy, that I love you dearly and will be here for whatever you need. God bless you.

“ I can not think back far enough in my life not to have had a memory of Alan Martin. We attended church, youth group, boy scouts / wilderness survival, school, football, work, play, trouble, and a heck of a lot of great memories in our journey while growing up through life. I can not think of a more wonderful, kind, honest, talented and genuine individual. I will truly miss Alan. Rest in peace friend, best friend!

“ I remember Alan as being a super nice person and he always had a smile when I waited on him at the bank. It's been years since I saw him but Miranda talked about him much over the years. I know she and Julie will miss him very much. My heart goes out to the whole family.
