“ *I am the daughter of Lola's brother Dallas Vandever. I am so sorry for the loss of Al from our family. At times his road through life was a tough one, but he overcame admirably. The hard part now is living without him. My thoughts and prayers will be with your entire family.*

“ *Dear Carol and family,*

So sorry to hear of your loss, and how I wish my mother could be there to help you! You were such a good friend to her and I know she would have cherished the opportunity to be a friend in need at this time.

But God's grace comes in many packages, many completely unexpected. May a sufficient supply be given you in this time.

“ Al attended the church in Huntington WV where I was pastor. We became close friends, interested in shooting sports among other things. I also went water skiing with him on the Ohio River. Susan and Mark accompanied us once on a beach trip, and they continued to be very close friends to our son Dale & daughter Michelle. We extend our deepest condolences to Carol, Susan, Mark and the other members of his family. Al was indeed a dear friend.##imported-begin##Gene and Shirley Pierce##imported-end##
