“ To My beloved friend Bud, you were a great friend to me. We were from totally different generations, totally different cultures, and yet you were there to help us and my family. I will remember all the worked we completed together, the talks we had from time to time, and the most wonderful birthday lunches we shared. I will miss them dearly. As you always said, “Hasta luego Amigo—see you later my friend.”

“ Bud was a wonderful man who loved his family very much! He was always there for my mother-in-law and his aunt-in-law, Martha Hawk. I remember the first time I met him, he was snapping pictures of Aunt Joe's birthday party. He always greeted Bob and me with his wonderful smile and open arms. We will miss him very much!
