“ Jodi was my babysitter when I first moved to Plainville at 4 yrs old. My sister and I spent countless hours in and around The Roderick Household when growing up. Albie and his family treated us like family. Community parenting at its finest. I never forget inspecting their wrecked shed during hurricane Gloria. I have fond individual memories of all of you guys! I am sorry for your loss. Take comfort in knowing what a fine family those two people made. They just don't make people like you guys any longer. Love you all.
