“ Dear Friends and Family,

*No one was loved more than our sweet "Albie". His great-grands were smitten by him. His "Buttercup" (Summer) just loved being with her Albie. And of course, his Fella (Noah) always enjoyed listening to his war stories. When Noah was small, he loved cookies, and Albie would call him "Cookie".....and no matter what Noah was doing, when he heard "COOKIE", he'd come running b/c he knew it was his Albie. They were the proudest Great Grandparents. OUR Albie will be missed.*
