“ Wednesday, October 8, 2008....Hello my Dear Agnes....I have truly missed you coming by my work at Upstate Cardiology on Grove Road in Greenville. I am the one who always ran out to greet you. You two have always been very special. I had a feeling something was wrong and knew one of you must be sick. Today I spoke with your daughter when I phoned to check on you and she informed me of Alberts' passing....what a shock....I am so happy we became close and I will miss him. i have a son who lives near you and maybe I can check on you...i will phone your daughter at a later date. There are no words to ease your pain so I offer a silent prayer that the Lord will draw you near and comfort you in the tender way that only He can do at this time. The Lord is close to the brokenhearted. Psalm 34:18. With My Love, Wanda Guthrie##imported-begin##wanda guthrie##imported-end##
