

Aletha Rena Hawkins

January 5, 1964 - December 21, 2024

Aletha Rena Hawkins, 60, went to be with the Lord on December the 21st of 2024. Native to Pickens, daughter of the late "John"ny Lee and Lila "Grace" (Ferguson) Hawkins.

Aletha graduated from Pickens High School in 1984, worked for several years at Sunshine Learning Center and finally found her passion at Greenville Tech where she became Certified Nursing Assistant (C N.A.). She loved caring for the geriatric patients as that was her life's calling. Aletha also worked many years closely with hospice for end-of-life care of patients as well as a private in-home caretaker for a few years.

Aletha loved the simple pleasures of life from peacefully listening to music in her favorite rocker, chatting with family and friends and baking with her grandbabies. Aletha had the ability to reach people in a deep and positive way. She could make people smile effortlessly and give them hope.

Aletha is survived by her daughter, Jennifer Aguilar; three brothers, Tony, Jack, and David Hawkins; and three wonderful baby grands, Daniel Hawkins, Christopher Aguilar, and Giselle Aguilar. As well as in the hearts and minds of many nieces, nephews, and cousins.

A celebration of life will be held at a later date where anyone touched by the

beautiful heart of Aletha is invited to attend and remember her smiling face.

In lieu of flowers please make a donation to your local hospice.

online condolences may be made to www.thewoodmortuary.com.

“ Still thinking of you Mama. Not a day goes by that I don't long for one more hug, one more phone call, one more text even one more surprise visit and seeing that huge smile on your face. I miss the T-Rex hugs, the just calling you to listen to your voice even if you were eating. I don't like ASMR but I'd listen to you eat any day. Daniels graduating Mama just like you were excited and we know dates now. Oh how I wish you could be there. Don't worry, I talked Daniel into continuing to go but he didn't want to for a minute as you wouldn't be there. Oh and he misses you too and sends his love. He often tells me about his dreams when you visit. Thank you for that! I love you!!!

Thank you 🙏 Mama was truly a great person who never let anything stand in her way. She was like the Southern Mother Teresa. She always gave more than she received and loved without questions.

Aletha was a loving sister-in-law. We had a lot of good memories with her. Mom and I were hoping to see her when I move back to South Carolina, but now I know for sure I will see her in Heaven ❤️ She was a great mother and grandmother. Love and Prayers for the family.
