“ I always thought a lot of Alex. I loved it to see him and Amanda get married when they had Autumn; he was a great dad I would stop by and see them when she was a baby. They were all so happy

“ Alex-you will surely be missed, I still remember one of the parties I had at the house almost 19 years ago shortly after we moved in across the street from you all. You were always the stubborn one, but cared so deeply for your family. May you rest in peace and fly high!

“ I love you Alex. You have always been a special person (nephew) in my life. I love how you called me Aunt Shurri and had that big old smile on your face! You were always good for a laugh and a hug! You will be missed by many.
Gone to soon but never forgotten 💔

“ *Alex, I am going to miss seeing you fly up Wade Hampton either in your work truck or the motorcycle. I would usually call Christie and tell her I saw you and that you needed to slow down. We all know though you wouldn't have. You were always stubborn but cared about your family. Rest in Peace and know we love you.*
