“ Dear Byars family,
I am so sorry to hear of the recent loss of your beloved family member. I send my heartfelt condolences to the family during this difficult time.

There is just no words to describe the pain we feel when we lose a close friend or family member. We long to see them again, to hold them again, to speak to them again.

Our loving Heavenly father knows what it feels like to lose a loved one to death. He himself also had to lose his dear son Jesus for a time.(John 3:16). So God is well aware of what you are feeling right now.

Please be assured that it was never God's purpose for humans to die. He created us to live forever. Unfortunately, due to the disobedience of our first parents Adam and Eve, we are subject to growing old, getting sick and dying. Loving God has promised to reunited families back together again by means of a resurrection. (John 5:28-29)(Acts 24:25)

When Jesus was here on the earth, he proved that he has the power to bring the dead back to life. On one occasion, he resurrected his friend Lazarus.(John 11:11-44). On another occasion, he brought back to life the only son of a widow.(Luke 7:11-17)

These miracles show that he CAN and WILL do the same for our close friends and family members who have fallen asleep in death. So during this difficult time, draw close to God and he will sustain you. He will also hear your prayers and bring you comfort.(Psalms 55:22)(Psalms 66:19-20)

Sincerely,
