“ I will never forget taking Lynn timer to meet her Grandmother at a store near my home while we were in college. When Allie realized who I was and Lynn timer and I rejoiced to think we were sort-of related. I have always felt a strong bond with the intire family. I will be thinking of you all in the coming weeks and hope to see you soon.##imported-begin##Leslie LeMaster##imported-end##

“ Dear Leopard Family -- I'm not sure after all these years what unseen hand led me to this unwelcome news just now, as I sit at my computer after midnight March 3. But what strikes me more than the unexpected discovery is a suddenly rekindled feeling, vivid in its detail, of the welcoming warmth and the genuine kindness Mrs. Leopard showed me during those happy times when I was privileged to visit her home. Your entire family retains a special place in my heart, and I can see this is a moment when I ought to say so, sincerely. I'm sorry for your loss. I wish the best in health and happiness for those of you blessed to carry on with her memory. -- John Vaughan##imported-begin##(John Vaughan in Riverview, FL)##imported-end##

“ David, Curtis and family , I just want to say that my mother Frances Howard and your mother were very dear friends when they were first married...Mother lives with me now and she speaks of their good times often...In fact I think your mother helped the doctor deliver my older sister Phyllis at home when they all lived in Greer. I am writing for my family to say that we are thinking of you during this sad time in your life.... Your mother was such a beautiful lady. Sincerely, Hilda H. “ My deepest sympathy goes out to you in the death of your mother. I used to deliver the Greenville Piedmont to your parents when they lived on Dan Street. Your mother always had a kind word for me. She made sure that your family paid me on time. It's been over 40 years since I've seen her, but she was one of my favorite customers.##imported-begin##Brant Hart##imported-end##
