“ To the family of Alyce (with a "y") Fellows...my dear, sweet church friend at Pelham Road Baptist. Our church family did not have a more vibrant or cheerful member than Alyce. From the time she came, she was always happy, and that quality of hers just spilled out and washed over all of us. I had many conversations and phone calls with Alyce across the years. I also wrote her many letters, and she was sweet to respond and update me with what was going on at that time. Her "walk with Jesus" was evident in her daily life, and she touched many people and never was shy about sharing her love of Jesus with others. I always looked forward to seeing her "hair decor" and how it matched whatever outfit she was wearing. She was valued everywhere she went, and her memory will be cherished forever by those of us who were blessed to have known her and to have shared a part of our lives with her. May God's comfort be with each of you as you grieve her death and honor her beautiful life of giving, serving, and loving. Fletch Leslie, Pelham Road Baptist Church, Greenville, SC

I want to extend my condolences to your family on the loss of this wonderful woman. Her warmth and kindness was extraordinary! Cliff and I enjoyed her yearly Christmas letters so much. As you know, Cliff Watson, my dear husband passed on June 1st of this year. It gives me some comfort to know that another family member joins him and his mom, Alta Watson and dad James Watson. What a party they must be having.
