“ To the entire Russell and Moon family:
I attended Greer High with Amanda and she was always such a great person. Always smiling and a joy to be around. As many of us do, I lost contact with her after graduation. I heard recently of her illness and have lifted her along with you all in my prayers. She is in a better place and find comfort in knowing that we will all be able to see her again.
Randy, my entire family and I are thinking of you and your daughter. I know we have lost touch but please know that you and your family are being lifted up in prayers each day by many many people.
Your friend in Christ,
April##imported-begin##April Riddle Staggs##imported-end##

“ My thoughts and prayers go out to your family. I went to school with Amanda and was on dance team with her. We lost touch after high school, as many of us did, so I was unaware of her illness until recently. I myself am 27 and I have a husband and a 3 year old daughter. While I've known loss (to cancer)in my life, it's hard for me to imagine what Amanda has struggled with. She's left behind a beautiful daughter that I pray will always remember her at her best. My deepest sympathies for all of Amanda's family.##imported-begin##Jessica Tapp Meredith##imported-end##

“ We have been praying for all of you during the last couple of months and will continue to lift you up now. When asking for prayer for Amanda to our friends and church family, I described her as a striking, natural beauty. I hope the memory of her beautiful smile will give you joy. I loved the hours of "cuddling" with Madison at Aunt Lib's funeral. I wish I lived close enough to give you all a hug right now.
