“ Please accept my belated condolences. I just learned of Jill's passing as I am currently in Hawaii. and so any news of home is delayed. I worked for many years with Jill at CDI. She was a wonderful caring person. She loved her family very much and spoke of them often. She will be missed by many whose lives she touched. God Bless her family, my prayers are with you.##imported-begin##Jana Wells Longl##imported-end##

“ It was with a great deal of sadness that I learned of Jill's passing this past week. As a classmate & friend of hers for many years in Lexington, Jill was one of my best "buddies" while growing up through high school; the last time I saw her was at one of our high school reunions & I best remember her speaking of & being so proud of her children. I have spoken with many of our friends from back home this week & we would all like to send our thoughts & prayers out to her husband & children during this difficult time for their family, may the comforting hand of the Lord be with you all.##imported-begin##W. “ It is said that God has angels here on earth, Jill was an "angel among us". She will be deeply missed but God has taken her to be with him now where there is no Cancer and no more pain, where she will have everlasting life.
She was my dearest friend that I will remember and love forever and ever.##imported-begin##Roxie Sigmon##imported-end##
