“ I have only fond memories of Andrew. He was always kind and giving, thoughtful and caring. He would give you the shirt off his back if you asked for it. I feel honored to have been able to grow up with him for so many years. I find peace knowing that Andrew lived his life being exactly who he wanted to be and was happy doing it. He will be sorely missed and remembered with a smile.

*Love to your family as you have shown me so much love.*
