“ *Brenda, Debbie, Lynn and family we want to express our love for Wayne. He was such a personal person. Everybody that met Wayne could not help but to love him. Brenda I wish there were words to say what special friends you have been to us through the years. Doug says he has lost his best friend, but Wayne had many, many friends. There was just one Wayne in this world, so fun to be around! God bless you, his daughters and their families.##imported-begin##Doug & Melanie Edwards##imported-end##*

Hey this is Tim Edwards, cousin of Aaron and the Edwards family. Wayne was a good musician and recording engineer. I remember him recording Aaron and me playing guitars and singing with his 4 track reel to reel tape machine in his kitchen/dining room. We had such fun back then in the late 70s early 80's. We used to get together and play music about everytime I came over to Aaron's to spend the night. I was a young teen then. My sincere condolences! We will see Wayne again one day, praise the Lord!
