*Oh Janna my heart breaks for you and your family. What a tribute to love in your family and the memory of your brother. The one time I meet your brother I thought, he's just like Janna, he brings life to a room just by walking in. God bless you and your family, I pray he leads you through this part of you life with tenderness and love.
Love you

“ *Still can't believe you're gone. Everything spoken about you today was nothing short of the truth. Tough on the outside with a heart of gold on the inside. Your memory will be cherished and you will be missed tremendously. I'll never forget the day you showed up at my place with that John deer mower and took care of my yard without me even knowing. Wish I had made more time, but I'm truly grateful for all the good times we shared. ❤️*

Don, Jo Ann, and Janna, my heart goes out to you all. I wish I could have been there to say goodbye in person, so please accept this memory as tribute. You all were one of several second families to me as a kid and your kindness is not forgotten.

God speed, and god bless.

“ *Andy and I were students at Greenville Tech trucking driving school several years ago. I was the old man of the class , Andy was always happy and cutting up. A pleasure to be around. We also did a run to pick up a couple of trucks over in Atlanta, Georgia; I lost contact with Andy after that. So sorry to hear he is no longer with us.*
