“My mom's name was Myrna (sister to Dawn's father Glenn), all my mom's brothers called her Myrnie. Dawn's was about 6 years old and during a phone call she called my mom Aunt Ernie instead. She was so excited because she received an award at school. When my mom asked her what the award was for Dawn proudly said "I got my reward cause of my cute dimples." My mom never forgot that. Though life kept us apart most of our adult lives, I'm so glad we got to spend the weekend at the beach together a few years ago. I will miss our online chats and her sense of humor along with her infectious laugh. Rest easy cousin, you will be missed.
