“ My dearest friend and sister Angie I miss you so much everyday 💔💔 I love you so much and I know I will be in heaven with you someday. Aunt Brenda says think about the good old days and how you and Mom are laughing at us and at peace with the Lord. I guess I will have to be strong and carry on as you would ask me to do. It's so undescrivable without being able to pick up the phone and call you for advice or just to give you a laugh. I dearly love you and will forever miss ya sis. **MAY YOU FLY WITH THE ANGELS AS YOU WERE ONE OF MANY IN LIFE.**

“ I am so sorry for your loss. I can't even begin to imagine how hard this must be for your family. I know that I only met Angie a couple times but Marvin talked about her often and made me feel like I knew her. I'm glad that she got to see her girls grow up and I'm sure they'll be there for Marvin now. Your family will definitely be in our prayers throughout these trying times.

“ We have lived next door to Angie for the last 6 years. We came to look at the house and Angie yelled over "Hi, y'all. We knew we had found our new home. She has been a blessing to our lives and she will be missed so much. She was always a ray of sunshine. We love you Angie!!!

I have lost the ray to my sunshine. My niece had a relationship like no other. My beautiful sister Rhonda shared Angie with me as a daughter. Rhonda use to say Angie and I were so much a like which was a huge honor. I have a large hole in my heart. Angie, I will live to the best of my Christian ability so when my time comes, we will run into one another's arms and greet with the holy kiss as we always did. You will be missed by so many. All I can say is the Lord must had a higher calling for you. Know I will think of you everyday of my existence. Love you precious angel. Aunt Donna

“ When I think of Angie I see her happy smile and bubbling personality. She was the most thoughtful loving lady I've ever met. On several occasions when we would meet she would have me a beautifully wrapped "I love you" present just to brighten my day. She didn't have to do that, just hearing her voice brightened my day. I love you so much and am going to look toward Heaven everyday and see you see you walking, laughing and loving with all the other angels. I'm sure you will have many crowns.
Love you always

“ Angie Sheppard was like a sister to me. My mother now deceased raised would baby sit Angie and her brother Ken Pirkle at a young age as my mother was in high school and a close neighbor to them and their family. Over the years when my sister and I were born Angie was like the oldest sister. I would always look forward to seeing her and going to her home to spend time with her and her husband. Then later on they had children. Corey and Preslee. My sister and I would baby sit them. They are family
Angie was a great woman friend sister mother and wife. She would help anyone in need. She believed in the Lord and her faith and heart was pure. I know she is in heaven in paradise and walking the streets of gold. To me she was supportive of her family and friends and loved by many people. I will miss you Angie. But I know you would want me to carry on with my life and happy and faithful to help others as you taught me to give and love everyone as God does. R.I.P sis
You will be greatly missed. You were always my angel I could call on. Thank you for your live support and help when I needed a shoulder to cry on or and ear to listen unselfishly. Love you forever and always.
Love you always,
