“ *Jimmy, Arthur, Caroline and Teddy—  
I am so sorry to hear of Anita’s passing... for the sadness as you all feel her absence. For her though, what joy to be in the presence of Jesus.*

*I have many sweet memories of Anita from my childhood. I remember when each of you kids were born. My mom reminded me that she and my dad were in your wedding Jimmy. I remember Anita as always kind with a sweet smile a funny sense of humor, and a love for Jesus. Good memories.*

*I pray God’s comfort and peace, and the love of family and friends will help to ease the sadness when you are missing her.... Until you see her again!*

*With much love,

“ Anita, I remember the fun we had playing together as preschoolers when you came back from Florida. You always had such a positive outlook and had new ideas for play. You maintained the positivity as you loaned prom gowns to me, as we raised children at similar times, celebrated Grandma's birthday every August. Always smiling, laughing, and being fun to be with. I have missed you being so far away and will continue to miss you until we can reunite again. Love you, Froggy,

“ *becuase i won't be able to be there for the funeral, i would like to have this either said or printed out for grandma to have. ❤️*

*Dear Grandma,*

*I didn't get to talk to you about a lot of stuff because i took for granted the fact of time...i didn't get to tell you that you were the best role model for me growing up. the one person who no matter what i did; you always forgave me. you raised me until i was 12 years old. almost everyday was filled with your happiness & your presence. & even if it wasn't in physical form you were in my mind & in my heart everyday. moving to Texas was a huge thing for us...we were connected, & had always been so close to each other that this would be the hardest step for us. i miss you ive missed you sense i had to leave almost 3 years ago if not alittle longer. i will never get used to you being gone, never. i can't be there tomorrow...i won't be able to for a while. but i promise i will be, but not only me. but my "little one" as you like to call him 😊 you might not be able to see him in person, but now you'll be able to see every moment you would have missed being here, now up in heaven. you were too good of a person for this world...sit down with God for me & remember when you told me he was with me all the time when sitting next to me with his arm around my shoulders holding me hand? now you get to do that with him. i bet its awesome 😊 i love you grandma, i know you'll be there at my graduation & the birth of my son. at everything...it'll never be easy for me. but you're where you belong ❤️*

*Love,*

*you're granddaughter Sarah (little bug)*
