“ I worked with Anlee at CPW and thought so much of her. I remember when Daddy (Verlon Henson) died she had some good stories to tell about the two of them growing up and it was good to hear them. She was a good woman and Carroll was a good man. I know my mom (Morene) will surely miss her good neighbor.

A loving lady, faithful to her church and her family. Always wearing a smile when she looked your way. Do you think after her Savior greeted her, He chose Carroll to show her all around her new home.
